ABOUT CONFERENCE

IFERP cordially invites researchers and scholars around the world to attend the "International conference on Management, Engineering and Social Science (ICMESS-19)" which is going to held at Mumbai. It has various presentation like keynote speeches, oral presentation and poster presentation.

The main objective of the conference is to bring the leading professionals, researchers, academician, students and delegates from industry from fields of Engineering, Management and social science to discuss their views. The main aim of the conference is to provide solution for the complex problems faced in the field of management and social science by engineering techniques and also to discuss the new advancements in the field of engineering. This conference will give the great platform to participants to interact with expertise and to get feedback about their research work. This Conference does not only encompass all avenues of fields of engineering, management and social science and also to discuss the positive and inadvertent of modern technologies on the society.
